

# Stainless Steel Sinks

## Universe series

### 18 Gauge™

304 Premium Stainless Steel

### 16 Gauge™

304 Premium Stainless Steel

These sinks are made from durable 18 gauge or 16 gauge 304 premium stainless steel, highly resistant to heat, most household stains, and rust for the life of the product.

These sinks feature Sound-Shield pads on several strategic areas of every sink for extra sound proofing. Made of natural rubber, the Sound-Shield pads reduce the noise of clattering dishes and running water.

Pro-Vest is a protective coating over the Sound-Shield pads. This system reduces noise, prevents condensation, and helps maintain water temperature when pre-soaking dishes.

All of these sinks receive expert hands-on care under strict quality control throughout every stage of our modern manufacturing process. This ensures a "NO HASSLE" Limited Lifetime Warranty against all manufacturing defects in material and workmanship under normal use.
