

V-Series

STAINLESS STEEL

4 SINK LAYOUTS = 1 TEMPLATE

Straight Back Offsets have centered drains and can be flipped so that the big bowl can be on either the left or the right side.

Template fits Double Equal Bowl, Large Single Bowl, and Straight Back Offset Bowl.

- 304 surgical grade stainless steel is non-porous, hygienic, rust free, extremely durable, and easy to maintain

- 18 and 16 gauge available in double and large bowls

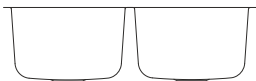

- Satin brush finish conceals small scratches

- Undercoating and sound deadening pads reduce noise and condensation
