C-CLN-CKS-LI

Lustro Italiano Stone Care Kit

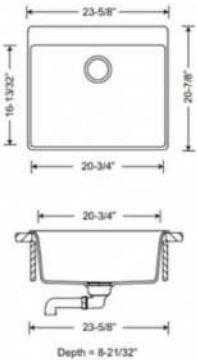

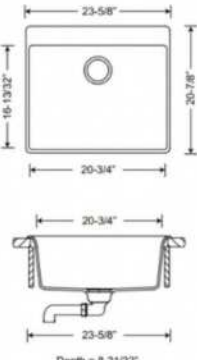

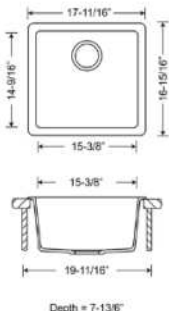

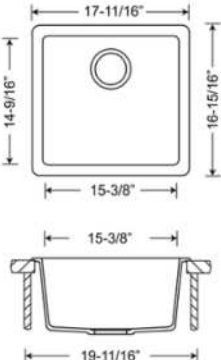

- For Granite Kitchen Countertops
- 32-oz. Stone Cleaner:
- Spray surface. Allow to sit for 30 Seconds. Wipe with sponge or light-duty pad. Wipe dry w/ papertowel.
- 11-oz. Aerosol Stone Polish: Shake can vigorously before Spraying. Make sure surface is clean and free of dust & grease. Spray surface. Using a clean, dry cloth, spread a thin layer. Wait a few minutes, then wipe off excess. Surface will dry in approx 3 mins.

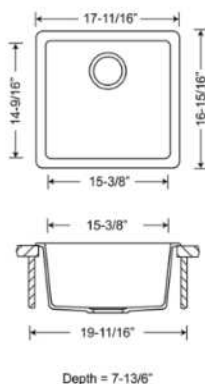

C-CLN-CKQ-LI

Lustro Italiano Quartz Care Kit

- For Quartz Kitchen Countertops
- 16-oz. Quartz Cleaner: Spray surface. Allow to sit for 30 seconds. Wipe with sponge or light-duty pad. Wipe dry w/ paper towel.
- 8.5-oz. Polish & Enhancer: Make sure the surface is clean and free of dust & grease. Spread the product using a brush, cloth, sponge, or spray gun. Apply as much product as the material will absorb. After a few seconds, clean (or buff) the surface with a cloth to avoid the formation of glossy & sticky films. Repeat after 10-15 mins.
- Indoor / Outdoor Application

Care and Maintenance

For stains on your granite or quartz countertops, you should try the Akemi Oil & Grease Remover. You'll apply the paste, then cover it with plastic wrap for an hour or so. As the paste dries, it absorbs the stain. It may be necessary to repeat the process, but this is a simple and effective solution. Another solution is the Pull-Out Spray. It's an aerosol can, and similarly, you spray on, wait for it to dry / draw out the stain, and dust it away. Finally, for rust stains, we recommend Akemi Rust Remover Paste. Apply to the surface, allow to dry for up to 24 hours, then remove with water. **For sealing countertops**, we recommend the Akemi Nano Stain Repellent which offers up to 10 years of protection. The regular Akemi Stone Impregnation sealer works great too, you'll just have to re-apply every year or so. **For general cleaning of you stainless steel sinks**, please use the POWDER FORM of Bar Keeper's Friend. You can find this at most grocery or drug stores. Form a paste and apply a layer to sink. Allow to sit for a couple of minutes. Re-wet, clean with a soft cloth, then rinse away for a polished shine. Repeat if necessary.

Limited Lifetime Warranty

Levi Sink Co will replace without charge, (excluding labor) any Stainless Steel or Porcelain sink supplied by us that is proven to be defective, with an equivalent replacement, within the specified appropriate period from date of purchase, to the original owner, provided it has been used solely in a residential application and installed in accordance with our installation instructions, used and cleaned as recommended, and not damaged due to abuse, misuse, or negligence. (In the event of a warranty claim, the owner will be required to provide proof of purchase - save sales receipt.)

This warranty will not cover any damages which might be caused by the product. (Some states do not allow such limitations, so this reference may not apply to you.)

Levi Sink Co reserves the right to inspect any sink reported to be defective prior to replacement of the sink. All decisions are final. Replacement cost EXCLUDES transportation and any labor costs for the removal or reinstallation.
